

RUSSELL H. CONWELL MIDDLE MAGNET SCHOOL

Dear Conwell Students:

This year has been an incredible journey, and I am so proud of you. You have worked extremely hard and have made so much significant progress this year, and teachers have shared the same sentiments. Thank you for sharing wonderful memories throughout the year, such as the Valentine's Day dance and Cougar Cash-Ins.

This year was also filled with an unprecedented interruption. We were well on our way heading into spring break and PSSA testing when the world was hit with the COVID-19 pandemic. This outbreak made our world very difficult for you and your families. However, you have survived because you are resilient and self-reliant.

This summer will be even more challenging because we can no longer do things the way we did in years past; however, I'm confident that you will stay safe, do your best to keep out of harm's way and continue to practice social distancing. Please have an enjoyable summer vacation.

This year has come to an end. However, I will be available throughout the summer, so please feel free to contact me, anytime; day or night at (215) 704-6255. Moreover, to my eighth graders, I wish you, fair winds and following seas!

Sincerely,

Mr. James Washington
Climate Manager
