## Academics

We now offer a S.T.E.A.M.-focused approach within the curriculum. Utilizing our new Science and Engineering Labs, our S.T.E.A.M. program offers projects and standards-based learning activities for students. This includes:

- Inquiry-based learning
- Creative expression & problem-solving
- Technology & Engineering processes
- Understanding of relevant societal realities

Conwell also offers Algebra (8th Grade), Art, Spanish, Labs, and PE/Health classes.

## Our Programs

After School All-Stars, Girls Inc., PA Ballet, Rock Guitar, Art Partners, G.R.E.A.T. Program, CADEKids, Teen Authors, National Spelling Bee, Sponsor-A-Scholar, What's So Cool About Manufacturing, Women in Natural Science (WINS) Program, National Junior Honors Society, & Instrumental Music (Brass, Strings, Percussion, Woodwind, Keyboard), Track & Field (Penn Relays), & NFL Flag Football
