Greetings Conwell Students and Families,

Welcome Back for the 2023-2024 school year! It is a pleasure to be back again to serve as your school counselor. My motto for this year is *One Step at a Time*. At Conwell Middle Magnet School, the focus remains that every student earns A's and B's, striving to prepare students for strong high school and post-high school experiences whether it is college or career. We remain dedicated to being Peaceful, Accountable, Wholesome, and Solutionary. Middle school is an awesome time of discovery for us all as we continue to develop students who are resilient and equipped to be socially responsible.

Along with supporting you in person, I will also continue a lot of my virtual platforms (Google Classroom & Google Forms, etc.) to be able to get you information and resources in multiple ways.

I can be reached by email at: kjford@philasd.org and via [Google Form](#) which will allow you to provide information so that I can best address your needs. A lot of information will also be available and updated on Conwell's website (conwell.philasd.org) under Counselor's Corner.

Again, I am looking forward to supporting and working with you all!

Sincerely,
Mr. K. Ford
