

CONWELL Middle Magnet School

June 13, 2025

Dear CONWELL Families,

As we wrap up another incredible school year, I want to take a moment to thank you for your partnership, support, and trust throughout the year. It has truly been a joy to watch your children grow—academically, socially, and emotionally. From classroom achievements to schoolwide events, this year has been filled with learning, laughter, and memorable moments.

We are so proud of all that our students have accomplished. Whether it was mastering a new concept, leading a service project, participating in school performances, or showing kindness to a classmate, our students demonstrated resilience, creativity, and leadership every step of the way.

As we head into the summer months, we encourage all students to **stay curious, stay active, and keep learning**. Here are a few simple ways to support continued growth over the summer:

- **Read daily** – Visit your local library and encourage your child to read books of interest and discuss them together.
- **Explore educational websites or apps** – Many free tools are available to keep math and literacy skills sharp.
- **Write in a journal** – Encourage your child to write about their summer adventures, reflections, or even creative stories.
- **Stay physically active** – Whether it's riding a bike, joining a summer sports program, or dancing at home, movement matters!
- **Engage in service or curiosity projects** – Volunteering, gardening, building something, or exploring nature can all spark meaningful learning.

While summer is a time to relax and recharge, it's also an opportunity for enrichment and fun. We hope you and your family enjoy a safe, joyful, and well-deserved break.

Thank you again for being such an essential part of our school community. We can't wait to welcome your child back for another exciting year ahead!

With gratitude,
Principal Green
