

# Minimum PSSA Scale Scores by Percentile

## 2024-25

Percentile	Grade 3		Grade 4		Grade 5		Grade 6		Grade 7		Grade 8	
	ELA	Math	ELA	Math	ELA	Math	ELA	Math	ELA	Math	ELA	Math
50th	943	932	940	925	938	911	964	889	957	885	951	864
65th	985	992	985	976	983	955	1004	934	1005	932	1004	909
80th	1048	1061	1039	1043	1038	1023	1062	1002	1064	1008	1067	1000

### How to read this table:

1. Find the column for the grade level and subject the student was tested in.
2. Identify the row for the PSSA percentile you need to review the score for (50th, 65th, or 80th).
3. The score displayed in the Grade Level and Subject column you are reviewing is the minimum (lowest) scale score needed to meet the percentile threshold for that row.
4. For example: A PSSA ELA scale score of 1005 is the minimum scale score required to meet the 65th percentile on the 7th grade PSSA ELA exam in 2024-25.

*Note: The percentile cut scores differ by the year of the test, so it is important that you view this table for the correct test year.*
