REPORT CARD CONFERENCES QTR. 2

TEACHER LINKS

Title I Tips for a Successful Parent Teacher Conference

- Tell your child that you and the teacher are meeting as a team to ensure success!
- Ask your child how they feel about school and if there is anything specific to discuss with the teacher.
- Relax and stay calm during the meeting; sometimes it is difficult to hear “new” or “different” things about your child.
- Ask for explanations of anything/topic that you need clarity on.
- If you speak another language, please ask for an interpreter.
- After the meeting, set new realistic goals with your child and remain committed to him/her doing well in virtual school!

*Each meeting with the grade team of teachers will be 10 minutes per student.
Parents will be in the ZOOM waiting room until teachers conclude the current meeting.
Please use the child's name as the screen name.*
